

AZO Anwendungszentrum GmbH Oberpfaffenhofen is an international networking and branding company for the European space programmes. We support the development of new products and company foundations by providing the necessary marketing and promotion platform, incubation and expert network, regional funding programmes as well as a leading space cluster innovation network. Our customers are, amongst others, the European Space Agency (ESA), AIRBUS, the German Aerospace Center (DLR) and the European Commission (EC). Headquartered at the Space Hub in Oberpfaffenhofen, we manage the ESA BIC (Business Incubation Centre) Bavaria, one of the leading incubators in Europe, as well as the ESA BIC Northern Germany.

To strengthen our team in Oberpfaffenhofen we are looking for:

Intern (f/m/d) / ESA BIC Bavaria

Duties & Responsibilities

- Scouting and research of potential new startups for the business incubation centre
- Support of the project managers in their every-day work
- Direct communication with current and former founders/startups
- Support in the area of event planning and execution
- Support in the marketing (e.g. website)
- And much more!

Successful candidates will have:

- Studies of Business/Management/Geography/Technology or similar
- Good communication skills
- Ability to write and speak professionally and accurately
- Very good knowledge of spoken and written English
- Very good knowledge of MS Office
- Ability to work autonomously, be reliable and show commitment

What we offer:

- Work directly with the respective project managers
- Creative freedom
- High individual responsibility
- Possibility of specialisation in the context of a bachelor or master thesis
- Monthly salary EUR 500

Curious? Then get to know us! Please send your cover letter and CV, with your possible start date via email to Mrs. Stefanie Herrmann at stefanie.herrmann@azo-space.com.
