

AZO Anwendungszentrum GmbH Oberpfaffenhofen is an international networking and branding company for the European space programmes. We support the development of new products and company foundations by providing the necessary marketing and promotion platform, incubation and expert network, regional funding programmes as well as a leading space cluster innovation network. Our customers are, amongst others, the European Space Agency (ESA), AIRBUS, the German Aerospace Center (DLR) and the European Commission (EC). Headquartered at the Space Hub in Oberpfaffenhofen, we manage the ESA BIC (Business Incubation Center) Bavaria, one of the leading incubators in Europe, as well as the ESA BIC Northern Germany.

To strengthen our team in Oberpfaffenhofen we are looking for:

Working Student (f/m/d) / ESA BIC Bavaria

Duties & Responsibilities

- Scouting and research of potential new startups
- Support of the project managers in their every-day work
- Direct communication with current and former founders/startups
- Support in the area of event planning and execution
- Support in marketing (e.g. website)
- And much more!

Successful candidates will have:

- Studies of Business/Management/Geography/Technology or similar
- Ability to work autonomously, be reliable and show commitment
- Good knowledge of MS Office (Excel, PowerPoint, Word)
- Very good command of the English language, German would be an asset
- High flexibility, good communication skills, service orientation
- Interested in startups/innovation/entrepreneurship/incubation/acceleration/etc.

What we offer:

- Flexible & diverse tasks in an international environment
- Creative freedom
- High individual responsibility
- Highly committed, motivated & young team
- Possibility of specialisation in the context of a bachelor or master thesis
- Appropriate remuneration
- Up to 20 hours/week
- Flexible working hours (to be discussed with the respective project manager)

Curious? Then get to know us! Please send your cover letter and CV, with your possible start date via email to Mrs. Stefanie Herrmann at stefanie.herrmann@azo-space.com.
